

Meet Rudy, Our Resident Scraper Expert

For over 40 years, Rudy Guerrero, has ground, and tested, millions of Scraper Blades. That experience shows, in the performance of the finished product, he produces.

Made in America

Allway perfected the 4 Edge Scraper Blade, and we take pride in our employees, who produce them. This unique camber-ground blade, is specially tempered, to produce our trademark, aggressive, scraping action. To insure they meet our strict quality standards, sample blades are tested hourly. Rudy, and all our workers, strive to bring you **QUALITY YOU CAN WORK WITH.**
